If the lifter is applying due to an injury, they must make themselves available to volunteer for at least two sessions of the contest. They may not actually have to volunteer, and the tasks required of them will be dependent on the type of injury (someone with a broken leg would not be asked to spot/load for instance). - 2) Any lifter having competed at an IPF international meet where world records can be set or Canadian National Championships within the past 30 days or who will be competing within 60 days shall be exempt from the Ontario Championships and receive a "bye" to the next Nationals.
